**APPLICATION IN SUPPORT OF MOTION**

**To the Hon. Judge Elizabeth S. Stong, U.S Bankruptcy Judge;**

I, Derrick M. Johnson appearing pro-se herein, being duly sworn, depose as debtor herein, make this application in support of my motion for the following relief:

- i- That I be granted an extension of time to prepare to file and submit my schedules and other documentations;
- ii- That I be granted an additional thirty days in order to properly prepare with the pro-se attorney for assistance;

iii- That the automatic stay remain in place pending the submission of these documents and schedules.

In support of this motion, I hereby alledge as follows that I has made a due diligent effort to file my schedules and prepare them on my own. However, after consulting with the pro-se attorney at the clerk's office she advised that I ask for more time to properly prepare and submit correct information.

I was never aware of the complicity of these documents and the fact that I had to provide current information about all of my assets.

**Wherefore,** debtor prays for an Order granting relief requested.
